# *The story of Bell Amour*

So this might make me sound like a “spoiled brat”, but my dad built me a venue, and true to his nature he went above and beyond to make my dreams come true.

This, I think, is the true essence of Bell Amour, as it is a family- run venue and it was built out of love.

I can promise you: my mom and dad will become like yours, and you and your family will leave our venue as family.

Inge Culbert

Wedding co-ordinator and loving daughter
